# CONGRATULATIONS GRADUATES

Majestic old Bower's Mansion has recently been restored to its original condition. Tours can presently be taken through the building, which was constructed in 1864. Surrounding the Mansion is a park which offers picnicing and swimming in the modern pool.

The pictures represented on this page represent three of Washoe County's recreation projects. All three are newly completed and now open for your enjoyment. There are part of the Park and Recreation System expansion program of Washoe County.

The club house for the newly developed Stead Golf Course is now completed. It and the course are located on land recently purchased from the government. Both are now completed and open for this season.

Davis Creek Park, located in Washoe Valley, one mile north of Bower's Mansion, is the first public park to be developed by Washoe County. It offers picnicing and camping to the adventuresome, while also offering a naturalist program for the children of the area.
